

Anglo-American University in Prague

Founded in Prague in 1990 as a non-profit college, AAU is now the oldest private university in the Czech Republic. Combining the best of American and British academic traditions, we pride ourselves on the innovative quality of our teaching, which offers a personalized, discourse-lead education in the English language to students drawn from over 60 countries across the world. With our commitment to societal excellence in a globalized world, we educate future leaders and innovators by cultivating a multicultural learning environment and promoting analytical, creative and practical thinking in the pursuit of academic excellence. As a result, our graduates leave fully prepared to meet the local, national and international challenges facing them in today's world.

Our renowned multinational faculty has trained at some of the top universities around the world, including Harvard, Yale, Stanford, Berkeley, Oxford, Cambridge, Paris-Sorbonne and others. With their attention to the personal development of every student at AAU, our alumni have gone on to excel in their professional careers and enjoy work worldwide in top positions in business, academia, politics, diplomacy and media.

AAU Career Center

The AAU Career Center exists to help you succeed outside the classroom by providing practical experience in the work environment, along with the necessary skills and resources to find and land your first job.

Internships

At AAU we offer highly-coveted internships based on our students' particular majors. For some students, an internship is the ultimate way to explore a career. For others, an internship is a great way to gain relevant experience that will make you a stronger candidate after graduation. Regardless of your motivation, we work hard to make sure you have maximum exposure to working professionals, entrepreneurs, agencies, non-profits, as well as small businesses and corporate culture in order to help you get a step ahead on the job market.

Career Guidance

The Career Center offers guidance on what job may be right for you, how to get a job and how to improve your educational experiences through work. In addition, the Center will help prepare you for entering the job market by hosting career expos and by teaching you practical job search skills such as CV writing and interviewing techniques.

Work Opportunities

Through our partnerships, AAU offers students a choice of part-time working opportunities that will give you both invaluable work experience as well as extra spending money.
